

MAP & DIRECTIONS

- Exit 101 Freeway at the **Stinson Beach & Muir Woods** exit
- Turn left at the lights by the Arco gas station on to **Shoreline Highway 1**
- Keep on **Shoreline Highway 1** as it winds up and down (don't deviate right at any point)
- Pass **Green Gulch Farm Zen Center** (on left)
- Continue winding down until you can see the ocean and reach Muir Beach
- Pass the **Pelican Inn** (large white English pub on your left, long row of mail boxes on your right)
- Continue towards Stinson Beach - the road forks left up the hill
- The first left is someone's driveway but the second turn left is **Sunset Way**
 - * *This left turn is on a fairly blind right bend in the road so please take care when crossing lanes for on-coming traffic.*
- Head down Sunset Way and after the 5th bend in the road, you'll come to 130 - a fairly steep driveway on the right.
- There is a sign on the tree stump to the right of **130 Sunset Way** which indicates you have reached your destination.
- Drive up the driveway and park on the left at the top outside The Cottage.
- If you get to the horse corral on your left, you have just passed 130!
